Dear Parents/Guardians,

The Plumsted Township School District will provide an Integrated Preschool Program that services children with special needs with typically developing children, together in one classroom. Each class will consist of three (3) and four (4) year old children selected from the New Egypt community through a lottery system, together with students from our preschool disabled population.

The program will consist of half-day sessions. Hours of operation will be: **9:00 AM - 11:30 AM and 12:30 PM - 3:00 PM five (5) days per week. Applicants must be flexible regarding AM and PM placements.** In addition, we are offering a compliment program that will extend the child's day until 3:00 PM. This session will run from 9:00 AM - 3:00 PM and will have limited availability. The tuition rate for the half-day session is **\$308 per month** and the extended-day compliment program is **\$726 per month** for non-disabled students. Parents will be responsible for all transportation of the non-disabled preschool students.

Procedures for placement will be as follows:

- Preschoolers who currently attend New Egypt Primary School from 8:45 AM - 3:25 PM, 5 days a week, will be given first priority regarding placement.
- We will hold a lottery for students who currently attend the preschool program less than 5 days a week from 8:45 AM - 3:25 PM for any remaining seats in our compliment extended day program. Those not selected will be offered placement in our half-day program.
- Students who currently attend our half-day program will then be offered a placement in our half-day program.
- An additional lottery will be held for any child who is new to our preschool program. Those selected will be offered placement in our remaining open seats in our half-day program only.

The lottery drawing will be held on **Friday, May 3, 2019** at the New Egypt Primary School. Parents of students chosen will be notified by mail. To qualify, a child must be three (3) years old on or before October 1, 2019.
