PLUMSTED TOWNSHIP BOARD OF EDUCATION SPECIAL MEETING October 28, 2020

6:30 p.m. Anticipated Public Session
REMOTE MEETING

Vision Statement

“Unleashing Unlimited Opportunities . . . Empowering One Warrior At A Time!”

Mission Statement

The Plumsted Township School District shall inspire all students to realize their personal potential. A rich and challenging learning environment, in partnership with the community, will develop critical thinkers, lifelong learners and productive citizens in an emerging global society.

2019-2020 Board of Education Goals

1. Plumsted Township Board of Education will support Year 3 of the Plumsted Township School District Strategic Plan strategies and projected outcomes from administration and all the Board of Education Community Committees. The Board of Education will receive quarterly updates from the administration, Professional Efficacy Committee, Student Success Committee, 21st Century Curriculum Committee, The Warrior Broadcasting Network and the Warrior 2022 Committee concerning student performance, district performance, school culture, fiscal needs and community concerns. Decisions concerning curricula, personnel, facilities and budgeting concerning Year 4 initiatives and strategies will be developed by the Board of Education and District Administration after a review of the Year 3 progress.
2. Plumsted Township Board of Education will support the continued development and implementation of the Warrior Personalized Learning Curriculum to enhance the facilitation of learning in grades 6-11. The Board of Education will receive quarterly updates from building and central office administration concerning student growth and year to year comparisons of student data on state and national standardized assessments, as well as trends in personalized learning in the Plumsted Township School District. This information will be evaluated and used to determine recommendations by the Board of Education for the 2020-2021 school year.
3. Plumsted Township Board of Education will become familiarized and receive monthly updates on the implementation of the new K-5 Math program, Bridges. The BOE will receive an overview of the program and how it will correct the needs that have developed in the district K-8 math performance of our students. The Board of Education will receive mid-year and end of year data concerning the growth of the students.
4. Plumsted Township Board of Education will structure a timeline for a comprehensive search, advertise and compile a list of qualified individuals, create a thorough and fair interview process and vet all finalists with the goal to have a superintendent in place on July 1, 2020.

2019-2020 District Goals

1. Plumsted Township School District will research, develop and implement the Year 3 goal and strategies of the Plumsted Township School District Strategic Plan. The Superintendent, central office and building administration will work in conjunction with the Board of Education Community Committees to develop the goal of improved Customer Service as the focal point for the Year 3 strategies. Administration and Committees will report quarterly as to the outcomes achieved and the effect on the successful implementation of the initiatives. The BOE and administration will use the data gathered to make decisions about Year 4 of the Strategic Plan.
2. Plumsted Township School District will continue to research, develop and implement the Warrior Personalized Learning Curriculum to enhance the facilitation of learning in grades 6-11. The administration and professional staff will gather data concerning student growth during the school year, as well as year to year data on state and national assessments to determine trends in our district.
3. Plumsted Township School District will train, implement and evaluate staff and students as to effectiveness the new K-5 Math program, Bridges. The district will gather data to determine if the weaknesses and holes found through evaluation of current student performance is improved effectively with professional development and new resources. The district and building administration will make an initial presentation to the Board of Education and will follow up with mid-year and end of year date and evaluation as to the effectiveness of the program.
