Thanks to all the parents, teachers, administrators and community members who came out last night for the adoption of the 2011-2012 school budget. The Budget and Finance Committee met 9 times since January 5th in addition to 6 public meetings which Sean presented the budget at workshop and

regular meetings. All presentations are available on the district website and *Facebook*. Just as a reminder, the school budget election takes place on Wednesday, April 27th.

The elementary school will be presenting “Jungle Express” on Thursday, April 7th, Friday, April 8th, and Saturday, April 9th in the high school auditorium. Mrs. Popyk and Mrs. Brown together with the entire cast have been working around the clock to make this an outstanding production.

The *Surflight Theater*, located in Beach Haven, NJ, will be coming to New Egypt to present a special play at the elementary school tomorrow morning at 9:30 AM. The show is “Maggie McGee and the Good Character Bandwagon”, and will be presented to the entire student body.

The *Surflight Theater* has been in existence for over 50 years, and is well known for their professional musical productions each summer on Long Beach Island. In addition to their professional theater company, they have an educational outreach program, such as the one that is visiting the elementary school tomorrow. Special thanks go out to Mr. Herb Marinari and the Plumsted Township Business Merchants Association for sponsoring this event, and for allowing a professional theater company to present a show to our students.

Sean Gately and I met with Mayor Ron Dancer at the Municipal Building on March 16th with Susana Guerrero, Assistant Counsel from the Office of the Governor as well as Christopher Emighloz, the Director of Legislative Affairs from the NJ State Department of Education. The purpose of the meeting was for the Mayor to advise as well as gain support from Susana and Christopher on Bill A-3081 which would provide 50% state matching funds to support shared services agreements between municipalities and districts with efficient pupil transportation systems for the provision of public school hazardous busing. Mayor Dancer introduced this bill back on July 1, 2010 and is steadily working in getting the necessary support for passage.
