NEW EGYPT HIGH SCHOOL

MISSION STATEMENT

The educational programs of the New Egypt Schools shall foster high expectations, in academics and behavior, giving attention to all students' individual needs. We are resolved to ensure all students achieve the New Jersey Core Curriculum Content Standards at all grade levels, children will be provided a variety of activities and experiences that allow them to mature into lifelong learners, who are critical thinkers, and who cooperate with others as they grow and learn in our democratic society.

District Goals

Student Achievement

To provide ongoing support to the instructional program, with a focus on student learning outcomes, by working closely with the administration, faculty staff and community to increase and improve student achievement

Curriculum and Instruction

To continue to conduct a comprehensive review of curriculum and instruction throughout the district k-12 and begin to implement curriculum changes based on schedule from New Jersey Department of Education and the Common Core Standards

Technology

To increase the use of technology as a classroom instructional tool and expand opportunities for students to engage in 21st century learning activities

District Communications, Operations and Public Relations

To improve communications with stakeholders (staff, students, Board, parents and community members)

Board Goals

New Jersey Sustainable Schools Project Grant

Mission Statement: To foster a connected green community in which students develop into-life-long environmental stewards

Demographics

To continue to monitor demographic and enrollment information to determine the impact on class size and facility usage

Alumni Association

Develop a student Alumni Association that connects graduates with the New Egypt School community and allows the district to track their success

X. SUPERINTENDENT'S COMMENTS

Dr. Jones commented on the following:

PRIMARY SCHOOL

- Outdoor Day originally scheduled for today
- The PTO sponsored an author day on June 4. Barbara McGrath spent the entire day with us, presenting to each grade level and signing books.
- Bubble Magic assembly was presented by the NJ Discovery Museum on June 10

ELEMENTARY SCHOOL

- The Special Education students and staff enjoyed a day at the beach on June 5th at their annual Island State Park environmental trip. The students fished, explored the beach habitat, created art projects, and learned about our environment at unique learning stations. It was a great day. A special thanks to Gary Conk and Kathy LoPresti for organizing this experience for the students and their families.
- The students had the opportunity to surf-fish off of the shoreline. Fishing poles were provided by Mr. Conk and bait was generously donated by Grumpy's Bait and Tackle. For some of them, this was a first time experience! Mrs. Williams had a tent set up for students to create their own beach and sand art work. Mrs. Dancer hosted a scavenger hunt for shells on the beach. Students researched and identified the shells and sea creatures using the books and other instruments she provided. Mr. Mogol filmed and interviewed students as this exciting experience unfolded incorporating technology.
- Success Awards will be held June 13th for all 3rd and 4th marking period recipients. Please check the school's website for the specific grade level times.
- The fifth grade students will be visiting the Middle School on June 14th for a brief orientation and will enjoy their end of the year "Cruise to the Middle School" celebration on June 17th.

MIDDLE SCHOOL

- NEMS Sports Awards was held today, June 12th where all of our student athletes were recognized for their accomplishments. Our Academic Awards will be held on tomorrow, June 13th. Please see our website, parent invitation and next week's May/June newsletter for specific times for each grade level.
- 8th Grade Promotional Exercise will be held on Monday, June 17th at 6:00 PM in the high school gymnasium. Congratulations to the class of 2013!

HIGH SCHOOL

- Attended Senior Sports Awards Night on June 5th
- Facilitated Academic Awards Night on June 10th
- Attended 12+ Program Graduation on June 14th
- NEHS Graduation on June 18th

HIB Report

Mrs. Soles read the following statement regarding the National Honor Society Induction Ceremony:

"I had the privilege of addressing the National Honor Society members and inductees. I wholeheartedly accepted the task and prepared by doing research to provide meaningful comments. My research ultimately brought me to the website mizgibson and I want to give attribution for my remarks to the mizgibson website. I referenced and adopted her ideas and comments to form the basis of a heartfelt and special message to our students. I comment about this now since the other night I inadvertently omitted this attribution.

Again, I want to congratulate the students and their families on the achievement of such an outstanding accomplishment.

XI. STUDENT REPRESENTATIVE COMMENTS
