Directions: Fill in the following questions based on each song the group plays.

1. Dynamics: Did the group play proper dynamics (loud or soft)? Did anyone play louder? Should anyone have played louder?
2. Blend/Balance: Did all instruments blend together? Did anyone stick out while playing?
3. Rhythm: Were rhythms played correctly? Did all instruments play together? (if no, please explain)
4. Style: Was the song played in the original style? If not, what was different?
