August 2023

Dear Parent/Guardian:

We are pleased that your child is planning to participate in an interscholastic sport and/or club. We are confident that student participation will provide him/her a positive and rewarding experience.

To support the operation of teams and clubs, Plumsted Township Board of Education instituted participation fees in the amount of \$50 for all athletic teams, school drama productions, cheerleading and the marching bands. The fee for all clubs at the high school level is \$25 per club (with a maximum of \$50 per student). Students who qualify for free lunch are eligible to participate at no cost and students who qualify for reduced lunch are eligible at half price. Once a student has paid for two activities (\$100 maximum for athletics, \$50 maximum for clubs) all remaining activities that a student chooses to join will not require a fee. There is a total family cap of \$300.

Parents and students should understand that this fee entitles the student to participate on an athletic team or in a co-curricular activity. **It DOES NOT guarantee playing time in games, leads in performances, etc., nor does it guarantee a specific position on a team.** Those decisions will remain with the coaches and advisors.

Please make your check or money order payable to “Plumsted Township Board of Education”. Payment is also available online through Family ID (MySchoolBucks). The online payment does incur an administrative fee.

If you choose to mail payment please remit to:

Plumsted Township Board of Education  
117 Evergreen Road  
New Egypt, NJ 08533

Sincerely,  
New Egypt High School Administration
