

How To Register On Our Website To Receive E-Alerts

Go to www.newegypt.us

At the top right of the screen, click “register”

Enter your birth date and submit

Type in other requested personal information (address, phone number, email etc.)

Create a username and password

Review the “terms of use” and if agree, check off the small box

Once you receive a message that you have successfully registered for our site, you will then need to sign-in at the top of the screen using your username and password that you have just created

After you have successfully signed in go to the “my account” and select “edit account settings”

On the left bar select E-Alert Settings

To receive mobile E-Alert messages when website content is updated please enter your 10 digit mobile phone number along with selecting your mobile provider

Be sure the “no” is selected when asked to receive ONLY emergency E-Alerts

Press Save

Again, on the left bar select Subscriptions

Click “manage subscriptions”

Place a checkmark next to each school homepage that you would like to receive E-Alerts

Click “I’m done” when completed
