Dear Plumsted Township School Staff, Parents, and Students;

On behalf of the Board of Education, I want to extend a special thank you to our students, staff, PTO, and families for another successful school year. We are deeply grateful to Mayor Cuzzo and the Plumsted Township Committee for their unwavering support, and to Chief Meroney and the Plumsted Township Police Department for their tireless efforts in providing a safe and secure environment for our students and staff.

As we reflect on the year, let's bask in the glory of our collective achievements. From academic triumphs to personal growth, community outreach, and extracurricular victories, each success is a testament to the collaboration, dedication, and spirit of excellence that define our school community. Your contributions have been instrumental in making these achievements possible, and we are all proud to be part of this successful journey.

Once again, I want to express my heartfelt gratitude to all of you. Your contributions, unwavering support, and steadfast commitment to our shared mission of empowering every student to reach their fullest potential have not gone unnoticed. It's a privilege to serve alongside you in our pursuit of educational excellence, and I am truly grateful for your presence in our school community.

Thank you for your continued support, which is not just a part of our success, but the very backbone of it. Your dedication and involvement have made a significant difference in our school community, and we are truly grateful for it. As we step into a new season, I extend my best wishes for a healthy and happy summer, knowing that with your continued support, we will not just thrive, but soar.

Sincerely,

David Ytreboe
