

Wee Warrior Day Camp

A Message to Parents:

Thank you for your interest in having your child participate in our program. We look forward to creating a safe, fun environment for students during their summer break! Before the program begins our staff would like to highlight a few activities from the attached calendars.

1. **Movie Days:** Every Friday we will be having a movie day. We will be viewing a kid/family friendly film either from recent cinema or related to that week's theme. During the first week, we will be having children design their own "drive-in car" that they will use as seats this summer. If there is a special blanket, pillow, or additional accessory your child prefers to watch a movie with, please send these materials in with your child and labeled with name.
2. **Water Wednesdays:** Each Wednesday our program will be having a day of water fun featuring activities such as water balloons, water obstacle courses, live water animals and much more! We ask that for these days you send either extra clothes or water clothes (I.E. swim shirts, sunblock) along with your child.
3. **Food Activities:** As seen on the calendar, on specific days throughout the summer we will be having food-making crafts with students. We have tried to be as mindful as possible of potential allergies so we can have the maximum number of students participate. That being said, we ask that you reach out to our staff with any allergies we should be aware of for the safety of our students. Additionally, if for any reason you do not feel comfortable with your child participating in any food related craft we ask that you let us know prior to the day so that we may prepare an alternate activity for your child.

Thank you again for your time and interest in the program. If you have any further questions regarding our program policies or planned activities, feel free to reach out to us.

Respectfully,

The Wee Warrior Day Camp Staff
