

**Plumsted Township School District  
New Egypt High School Summer Reading 2020**

This summer there is no formal summer reading assignment for College Prep Courses. We simply ask that you read and enjoy whatever you chose to read. Read new books, reread favorite books, read to younger siblings/relatives/friends, try a new genre, read a magazine, read a blog, read a newspaper, listen to a book, listen to an interesting podcast. Just read - learn about new things, embrace a new story, read the story of an interesting person's life, learn new words, explore the world through a book.

Consider tracking your books. You can create a log on a Doc or use a digital log like [Good Reads](#) where you can track and review your books and get recommendations.

Here is a [video](#) from the Ocean County Library with some great suggestions - it's their annual summer read talk that would typically have been live at school. No library card? No worries. It is ALL explained in the video and it's ALL free.

You will find a variety of other resources provided by the Ocean County Library [here](#).

Notification for placement in honors courses will be made by July 30th. The required reading for honors courses is listed below. Mr. Palumbo will be in touch with all Advanced Placement students as there are required readings for AP courses.

9th Honors: [Lord of the Flies](#), William Golding

10th Honors: [Persepolis](#), Marjane Satrapi

11th Honors: [Pygmalion](#), George Bernard Shaw

12th Honors: [One Hundred Years of Solitude](#) by Gabriel Garcia Marquez
