Dear Parent/Guardian:

We are pleased that your child is planning to participate in an interscholastic sport for the fall season. We are confident that student participation will provide him/her a positive and rewarding experience.

Beginning with the 2011-2012 school year, in order to support the large variety of co-curricular programs offered to our students, the Plumsted Township Board of Education instituted participation fees in the amount of \$50.00 for all athletic teams, school drama productions, cheerleading and the marching bands. The fee for all clubs at the high school level is \$25 per club (with a maximum of \$50 per student). Students who qualify for free and reduced lunch are eligible for discounted rates. Once a student has paid for two activities (\$100 maximum for athletics, \$50 maximum for clubs) all remaining activities that a student chooses to join will not require a fee.

Parents and students should understand that this fee entitles the student to participate on an athletic team or in a co-curricular activity. **It DOES NOT guarantee playing time in games, leads in performances, etc. nor does it guarantee a specific position on a team.** Those decisions will remain with the coaches and advisors.

Please make you check or money order payable to “Plumsted Township Board of Education”.

If you choose to mail payment please remit to:
